DURABLE & DESIGNED FOR LOW MAINTENANCE OUTDOOR LIVING

Made from blend of sustainable wood fibres and recycled plastics, the High Density series features a Double-UV shield and a R11/P5 slip rating, providing unmatched performance under intense heat and wet weather.

The HD Pro has a unique colour on each face and a gorgeous woodgrain finish - simply flip it over to redefine the look and feel of your outdoor living space. Crafted with easy living in mind - anti-slip, no rotting, no warping and no need for sealing or painting.

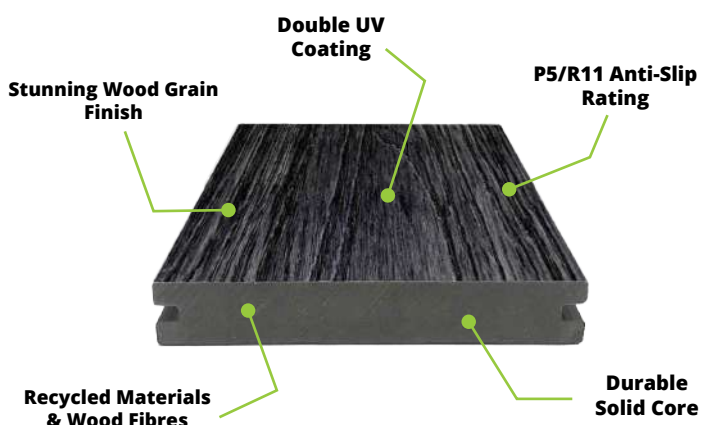

Available in matching Fascia and Edging Boards
