ENGINEERED FOR EXCELLENCE

BRITE SPC Wall Panels deliver style, strength, and durability without compromise. Crafted from a high-performance blend of natural limestone powder, PVC, and stabilizers, they offer exceptional water resistance, longevity, and impact resistance—making them the ideal choice for both residential and commercial spaces

Length	Width	Thickness	Coverage Area	Boards/SQM	Weight
2700mm	1200mm	3mm	3.24sqm	0.30 Boards	20.47 kg

SPC Rigid Core

High-performance composite panels that combine the exceptional qualities of stone and plastic, delivering outstanding strength and resilience

UV Coating Layer

High-performance UV coating treatment can effectively prevent damage to the board caused by ultraviolet rays

Decor Film Layer

Offers widely popular texture patterns suitable for various home styles. Our high-definition, intricate textures closely mimic real materials

EASY INSTALLATION

Step 1: Prepare a smooth, clean wall

Step 2: Cut panels to size with a utility knife

Step 3: Apply adhesive evenly to the back

Step 4: Press panels firmly onto the wall

Step 5: Fit trims for a seamless finish

Step 5: Installation complete — enjoy your space!
